

INTRODUCTION

The team specializes in creating exceptional culinary creations, with menus that showcase their culinary artistry. Each menu tells a unique story with unexpected combinations. The dishes are prepared using the freshest seasonal produce and sustainable ingredients.

Based on the dishes, the sommelier has curated a special selection of wines, focusing on France from classic French wines to lesser-known wineries. Additionally, the sommelier has assembled a rich selection of wines from around the world. Renowned wineries, hidden gems, and exclusive wines are chosen for their exceptional character, quality, and sustainability.
